IRON WOODS™

DECKING

The Outdoor Hardwood Floor™

*Discover the unique
properties that make
Iron Woods™ an easy choice
for your decking project.*

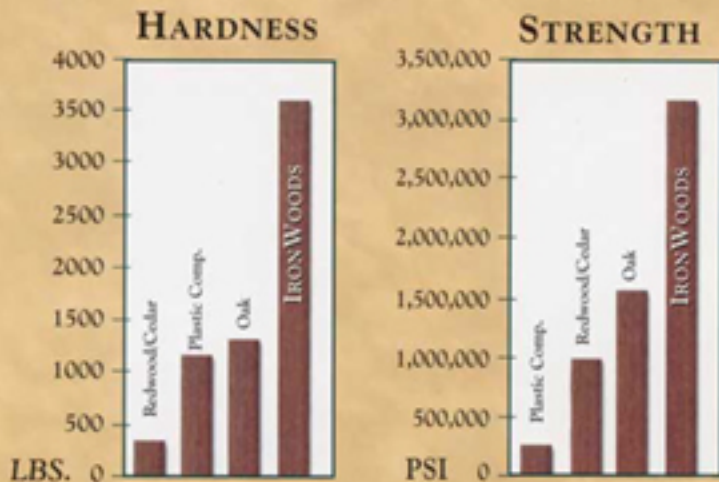

*Iron Woods brand Ipe,
naturally resists wear, rot,
splintering, termites, fire,
chemicals, marine borers,
and virtually every other
threat imaginable...
beautifully.*

There is no substitute for the natural beauty of IRON WOODS™

Easy to Care for, Hard to Resist™

Iron Woods™ brand Ipe is tough. Top ratings for strength, hardness and durability have been proven again and again in demanding commercial applications, like the famous Atlantic City Boardwalk. So strong, dense, and hard; Iron Woods™ remain smooth and virtually splinter free for years and years...beautifully.

Weathered sample of Iron Woods after 24 years of service on the famous Atlantic City Boardwalk.

Enjoy the beauty and warmth of real wood decking without the hassles. Left unsealed, Iron Woods weather to a handsome silver patina. An outdoor finish can be periodically applied to maintain its rich natural color, which ranges from a golden russet to a classic reddish brown hue.

The Difference is in the Grade.™

PREMIUM SELECTED - 100% Clear All-Heart Grade Only.

- Termite Resistance...US Naval Research Lab tested; over 15 years in the ground without attack by termites
- Durability...US Forest Product Labs highest rating; 25 years plus without chemical treatments or coatings
- Fire Resistance...National Fire Protection Code, Class A; a rating similar to concrete or steel
- Hardness...unlike softwoods, Iron Woods resist scratches and splintering
- No Hassles...easy to install, readily available

25 IRON WOODS™
YEAR WARRANTY
